Recalling the long association with the deceased, BCL Managing Director Mr Mahbub Haque recalled the days of his close working together devoted to establishing BCL after the War of Liberation and soon earned name and fame not only in Bangladesh but also abroad.

His daughter Farida recalled with pride her father's notable contributions to the country and the society. In his life as well as in his death the personal and professional profiles of Engr Majid remained as bright as ever to his colleagues. BCL Directors Engrs M A Aziz and R K Chowdhury, recalled him with immense gratitude for tutoring them to become what they are today.
